

KNIPP SERVICES LINECARD

Trane • trane.com

- Commercial HVAC equipment, building automation, parts, service, energy services, and professional training

Mitsubishi/City Multi • mrslim.com

- Ductless mini-split systems and controllers
- Single outdoor units tied to multiple zones for simultaneous heating and cooling

PoolPak • poolpak.com

- Indoor pool comfort products
- Rugged construction, dependable operation

RenewAire • renewaire.com

- Residential & commercial energy recovery ventilators
- Efficiently transfers heat and humidity without rotating wheels

MacroAir • macroairfans.com

- Inventors of the high volume, low speed fan
- Industrial ceiling fans
- Fan diameters range from 8 to 24 feet
- Industry leaders with products unparalleled in energy efficiency

Canariis • canariis.com

- Manufacturer of packaged systems for HVAC, chiller and boiler plants
- Manufacturer of domestic water and fire pump applications
- Every packaged system is tested at job conditions prior to shipment

Semco • semcohvac.com

- Innovative heat recovery solutions and custom air handling equipment
- Energy recovery products for commercial and industrial applications
- Sensible and total recovery wheels, active and passive desiccant dehumidification technology

Powrmatic • powrmatic.com

- Manufacturer of heating, cooling and air cleaning equipment for the industrial and commercial marketplace
- Direct-fired and indirect-fired heaters, cooling systems and media and electrostatic air cleaners

Bard HVAC • bardhvac.com

- IAQ products
- Manufacturer of wall-mount air conditioning and heat pump technology

Dynamic Air Cleaner • dynamicaircleaners.com

- Indoor Air Quality solutions through electronic air filtering
- Applications include schools, medical, office, home, industrial, hospitality and gaming

Hastings HVAC • hastingshvac.com

- Commercial and industrial heating, ventilating and air conditioning equipment
- Company-staffed field service organization

Calmac • calmac.com

- Thermal energy storage equipment for off-peak air conditioning

Modine • modine.com

- Direct & indirect fired heating equipment
- Unit heaters & convectors, infrared heaters

Filtrine • filtrine.com

- Specialty chiller for medical, process and food/bakery applications
- Drinking water systems, drinking fountains and water coolers

Aermec • us.aermec.com

- Air-cooled/water-cooled chillers and heat pumps
- Dry coolers and condensers
- Data center cooling
- Hydronic variable multi-flow system
- Chiller/heater makes hot and cold water, replacing need for boiler
- Free cooling chiller

Friedrich • friedrich.com

- Ductless split systems, window air conditioners and through-the-wall units
- Air cleaners and dehumidifiers

Schwank • schwankgroup.com

- Infrared heating solutions
- Indoor and outdoor, gas-fired and electric

American Aldes • aldes.us

- Ventilation products and systems manufacturer
- Products designed for superior air flow, energy efficient performance and a healthy indoor environment

Multiaqua • multiaqua.com

- Flexible chilled water & DX air conditioning systems
- Air cooled chillers, air handlers and fan coils

Guntner • guntnerus.com

- Delivers knowledge & products for refrigeration, process cooling and HVAC applications
- Fluid and refrigeration coolers

Motivair • motivaircorp.com

- Manufactures closed loop cooling systems, chillers and refrigerated air dryers

ClimateWorx • climateworxinternational.com

- Market specific precision air conditioning equipment
- Great for computer rooms, telecommunication, laboratory, medical, industrial and electronics
